

Other Services

In addition to mentoring, SLS offers free, confidential counseling, education, and referrals to students and student organizations. Students who would like to receive counseling on legal topics should call SLS to make an appointment.

SLS also offers a preventive legal education program. SLS attorneys present workshops frequently on a variety of topics. Student organizations and groups may request workshops tailored especially for their needs and interests.

Mentoring Opportunities for Students Interested in Law

 Student Legal Services
UC San Diego

Empowering students through counseling and education

Student Legal Services (SLS) offers mentoring for students interested in law!

Have you ever thought about going to law school? Are you interested in a career in law? If so, then you should take advantage of the mentoring opportunities available at SLS!

What is mentoring?

Students who would like to discuss law school or the legal profession are encouraged to meet individually with the attorneys at SLS. Students are encouraged to speak with our attorneys to learn more or better understand what it is like to be an attorney or a law student. A single mentoring session as well as follow-up sessions may be scheduled.

Who is eligible for mentoring?

All currently-registered UC San Diego students, including graduate students, are eligible to schedule an appointment.

How can mentoring help?

Mentoring sessions may be helpful to students considering a legal career in a variety of ways:

- ◆ Students may gain valuable insight into the types of skills used in the practice of law
- ◆ Students can ask someone who has been to law school what it was like
- ◆ Students can ask questions about areas of law that interest them
- ◆ Students can discuss what other career paths may allow them to work in their areas of interest

In some cases, SLS attorneys may be able to refer students to other legal professionals or organizations that can help students further explore their areas of interest.

How are appointments scheduled?

If you would like to schedule a mentoring session or learn more about mentoring through SLS, please call 858.534.4374.
