DETERMINATION AND NOTIFICATION OF INTERIM SUSPENSION
The Dean or Assistant Vice Chancellor – Student Life determines that a Respondent Student or Student Organization should be placed on interim suspension. The Respondent will be notified about the reasons for the interim suspension, duration of the interim suspension, and an opportunity for a prompt review.

REVIEW OF INTERIM SUSPENSION
Within 24 hours of the issuance, the appropriate University Official (e.g., Vice Chancellor – Student Affairs) will either affirm or deny the Interim Suspension.

INTERIM SUSPENSION AFFIRMED + HEARING
If the Interim Suspension is affirmed, the Respondent meets with the Director of Student Conduct within three business days from the effective date of the suspension. During this hearing, the Respondent may present information or witnesses to support discontinuing the Interim Suspension.

INTERIM SUSPENSION UPHELD
The Director of Student Conduct upholds the Interim Suspension through the conclusion of all appeals. The Respondent is subject to the terms of the interim suspension while resolving the alleged violations through the student conduct process.

INTERIM SUSPENSION NOT UPHELD
The Director of Student Conduct does not uphold the Interim Suspension. The suspension is removed from the Respondent's record but the alleged violations will still be resolved through the student conduct process.

INTERIM SUSPENSION NOT AFFIRMED
If not affirmed, the Interim Suspension is voided. The Respondent still is subject to the student conduct process for the alleged violations.

STUDENT CONDUCT PROCESS
The Student meets with a Student Conduct Officer to discuss the alleged violations in an Administrative Resolution meeting. All normal processes apply, including the right to a Student Conduct Review and to appeal the decision/sanctions.
