**Interim Suspension Process**

**DETERMINATION AND REVIEW**
The Dean or Director of the Center for Student Involvement determines that a Student or Student Organization should be placed on Interim Suspension. The Chancellor or their designee (Vice Chancellor – Student Affairs) will review and approve the Interim Suspension before it goes into effect.

**STUDENT NOTIFICATION**
The Student or Student Organization will be notified in writing by the Dean or Director of the Center for Student Involvement about the reasons for the Interim Suspension, its duration, any applicable restrictions and a date/time for a hearing on the action.

**INTERIM SUSPENSION HEARING:**
The Student or Student Organization meets with the Director of Student Conduct or their designee within three business days from the effective date of the suspension. During this hearing, the Student or Student Organization may present information or witnesses to support discontinuing the Interim Suspension.

**INTERIM SUSPENSION UPHeld**
The Director of Student Conduct or their designee upholds the Interim Suspension through the conclusion of the appeals process. The Student or Student Organization is subject to the terms of the Interim Suspension while the alleged violations involved are resolved through the student conduct process.

**INTERIM SUSPENSION REMOVED**
The Director of Student Conduct or their designee removes the Interim Suspension. The alleged violations involved will still be resolved through the student conduct process.

**STUDENT CONDUCT PROCESS**
The Student meets with a Student Conduct Officer to discuss the alleged violations in an Administrative Resolution meeting. All normal procedures through the Student Conduct Code, including the right to a Student Conduct Review, apply through this process.
